

Good Morning and PRAISE THE LORD, 11/31/09 AM

Greetings Dear Friends:

Thank you so much for you love and prayers, we arrived home in Indiana around 2 this morning, that would be our time to get up in Ghana, I ask Lilly, should we just stay up and started working at getting caught up in the study and around the house, she thought that was a bad idea, so we did get to bet and turn out the light by 3:30 AM this morning, we had another prayer of thanks to GOD before we drifted off to sleep, GOD is so good, souls were added to the Kingdom of GOD, new churches were planted, New Pastors that went through our Bible Institute were installed, many, many were touched by the hands of people in this group, in Jesus Name, many were given help in the Medical Clinics, many can now read with glasses they received,,,,..... it is GOD's work and it was all done in the Name of Jesus Christ our LORD, and it was all done by His power in the Holy Spirit and all for His Glory and we give Him all Praise and Thanks, I also want to thank Nadine the Scribe, she did a fine job on the updates, thank you all again for your love and prayers...

In Christ
